Corrigendum — Ontogeny of body size and shape of Antarctic and subantarctic fur seals

Sebastián P. Luque, Edward H. Miller, John P.Y. Arnould, Magaly Chambellant, and Christophe Guinet

In the first sentence of the last paragraph on p. 1280, “Sparrow and Heywood (1996)” should be replaced by “Kerley (1985)”, so the sentence should read as follows:

Neonates of both species from our study were about a kilogram heavier than those weighed by Kerley (1985), although the difference cannot readily be attributed to any ecological factor because of the small sample size in the latter study.
